

上海市实验学校（中学国际部）欢迎您

愿景：

创造适合少年的世界，培养走向世界的少年

上海市实验学校是一所由上海市教委和上海师范大学双重领导的实验性示范性学校。学校创办于 1987 年，前国家主席江泽民同志亲自参加落成典礼并题写校名。在国内外享有良好的知名度和社会声誉。

上海市实验学校是上海市教委批准的首批具有接受外国留学生就学资质的学校，拥有丰富的外籍学生教育经验。学校在教学内容、教学形式、信息平台、文化适应和师资配备等相关方面做了大量的研究工作，得到了许多外籍学生和家长的赞许。

国际部办学目标：

为学生搭建“展能成志”的舞台，培养有教养的、有合理知识结构、有鲜明个性特点、具有自我发展能力、富有创造精神的国际型中学生。

多元课程：

国际部根据学生的生理和心理特征，采用小班授课方式（每班 25 人左右），通过讲授、探究、讨论、合作、调查、演讲、辩论、实践操作等教学活动，使学生会思考、善交流。

国际部重视学科基础，融中西方文化为一体，为学生提供发展兴趣、爱好、特长的空间。课程体系为基础课程（必修课）+ 艺术和科技为主题的拓展课（选修课）+ 活动课（文体社团）。

通过丰富多彩的社会和自然考察实践活动，使课内外课程融为一体，提供给学生多元文化的交融体验，从而培养有创新思维、关注社会和具有实践技能的国际性人才。

招生对象：

具有境外身份的适龄学生（小学毕业生）

Welcome to Shanghai Experimental School International Division (SESID)

Vision: To build a world for the teenagers

To train the teenagers for the world

School Overview:

Shanghai Experimental School (SES) is attached to Shanghai Municipal Education Commission. SES is a research-oriented institution under the supervision of Shanghai Normal University. SES has enjoyed good social reputation both at home and abroad. SES was established in 1987. The former Chinese president Mr. Jiang Zemin attended the foundation ceremony and honored the school with his autograph.

SES was among the very first schools that was certified by the Shanghai Municipal Education Commission to enroll international students. The school conducted large amount of research and experimental work on foreign students' adaptation to teaching content, teaching forms and culture.

Aims of SESID :

To build and provide a stage for the junior middle students who are expected to become well-educated international talents with good learning habits, innovative thinking skills, well-balanced development of personality and potential ability.

Diversity of Curriculum:

To meet the requirements of the foreign students' educational need, SESID provides one class with about 25 students and superior individual education.

The curriculum system consists of the required subjects, optional subjects and activity subjects. It combines strengths of eastern and western curricular and is aligned with international standards to prepare students for future success. By setting high and achievable expectations, students learn to explore, experiments, and solve problems with confidence and pride. Educational activities facilitate inquiry-based learning, cooperative groupings, self-directions, and developmentally appropriate practice.

Enrollment:

SES enrolls qualified international primary school graduates
