上海市

A female teacher with dark hair, wearing a grey short-sleeved top and a dark skirt, stands in the center of the classroom. She is holding a small black object, possibly a remote or a phone, and appears to be speaking or presenting to the class.

Several young students are seated at their desks, facing the teacher. They are wearing light-colored, possibly white or grey, school uniforms. The desks are arranged in rows, and the students are looking towards the front of the room. The classroom has blue wall panels and a wooden door in the background. A notice board is visible on the right wall, with the text "Notice Board" written on a yellow sign above it. The notice board contains various papers, including a calendar and some notices.
